MODEL No. 10-SP3 3" SPINDLE SAW TRIMMER

This powerful flange trimmer has been designed to trim flanges at production speed. It has an adjustable bottom plate designed to ride on the flat inside or outside surface of a part to make an accurate cut. This tool comes equipped with a 53-338 (3") integral spindle saw, and a dust extraction guard.

Code	Blade Diameter	Cutting Depth	Air Consumption	Weight	RPM
